

# GRINDERS & POLISHERS

## P2400

**The Predator P2400 is a high performance 24" 4-head planetary grinder designed and manufactured by Innovatech Products, so you can be assured of reliability, stability, and maximum production rates.**

The compact 4-head planetary system has been designed to maximize stability and reduce vibration at operating speeds, ensuring a smooth and efficient grinding / polishing experience.

### Predator Floor Grinders Tackle the Toughest Jobs with Finesse

When superior results are desired, an ordinary floor grinder just will not do. Gaining just the right finished look calls for a concrete floor grinder meant to handle difficult conditions and produce results that truly shine. At Innovatech, we have revolutionized floor grinders with our Predator industrial floor grinder line.

### What Makes the Predator The Top Floor Grinder

With their incredible balance, ease of use, wide range of tooling options, and unmatched production capabilities, our Predator line stands apart from the competition. The Predator grinders are the right choice for polishing or grinding cement, concrete, natural stone, marble, granite, terrazzo and more. They are designed from the ground up to provide the concrete grinding polishing results that customers demand and deserve.
